Ordinance 15 The Council: Committees

1. The Council under the Charter, Section 7, has power to provide for the establishment of Committees to include representatives of the Council and such other persons as the Council may determine and to prescribe the method of appointment and the functions of such Committees.
2. There shall be Committees of the Council as specified below. The members shall be appointed by the Council, normally on the recommendation of the Nominations and Governance Committee. Members shall serve for 3 years and may be reappointed provided that they remain members of the Council, unless this is specifically excluded in the constitution of the Committee.
