Student requires travel to placement site.

Consider actions to reduce risks where practicable e.g. providing accompanied travel, avoiding night driving, and use of public transport rather than drive.

Student requires travel to placement site.

Risk

it's home region

None.

Low

Placements in-student

with placement in low/medium risk countries.

Medium

Higher than normal risk of civil disorder

include within briefing or direct

Do as likely in communicating with

with placement in

Placements not in the student's home

region will most likely be placed in local

risks (e.g. political, military, unrest).

with placement in countries where stability

Risk	Indications	Possible specific action to reduce risk
	(List any other factors see also notes)	
The student has no mental or physical medical conditions or disability likely	None	Low
	Engage with student & present provider and health & disability support professionals to develop	High
	Discuss with the student in advance	High
	If the student has a disability that may affect their ability to complete the course, discuss with the student in advance	High
	If the student has a disability that may affect their ability to complete the course, discuss with the student in advance	High
	If the student has a disability that may affect their ability to complete the course, discuss with the student in advance	High

Risk	Mitigations	Possible specific
None	<p>Locations (where the placement agency determines have employer's liability insurance coverage)</p>	<p>Locations, activities &/or circumstances that are not permitted</p>
<p>Locations, activities and/or circumstances that are not permitted</p>	<p>Low</p>	<p>Locations, activities and/or circumstances that are not permitted</p>
<p>Locations, activities and/or circumstances that are not permitted</p>	<p>High</p>	<p>Locations, activities and/or circumstances that are not permitted</p>
