

NB a whole paragraph can be used as a signpost.... what are the linking/signposting words in this paragraph? What is the function of this paragraph & what (paragraphs) will have come before and what will come after this.

It can be seen therefore that there is more than one possible reason for this global warming. There is, however, a strong argument for believing that these are without foundation. Moreover, it is important to consider further theories which might be put forward to explain the variations which have been recorded in global temperatures; these are examined before any conclusion is drawn.
